

The Final Chín Conquests

Adapted from The Emergence of China, p212

Here are the major states as of the end of the Warring States period, and the dates at which they were conquered and obliterated by Chín.

[Lǚ had been absorbed by its conqueror Chǔ in 0249..Chǔ itself had been forced to abandon its old capital in 0278, and move down the Yángdǔ River, where it was finally conquered and absorbed by Chín in 0223].
